I'm looking to work for a company that expects high and committed standards from their employees. I'm a confident, safe and compassionate Nurse. I believe integrity, respect, compassion and commitment are the very corner stones that we must adhere to ;when wanting to provide the most excellent care to our patients and their families.

" Setting an example is not the main means of influencing another ; it's the only mean ." - Albert Einstein

Authorized to work in the US for any employer
