+1 276 233 9089

I am a registered nurse of 14 years. I am looking for a nursing position that gives me the opportunity to provide care and make a difference in the lives of my patients.

Authorized to work in the US for any employer

Work Experience

Registered Nurse

Sorin Medical - Galax, VA

September 2019 to Present

Registered Nurse (RN)

Twin County Cardiology - Galax, VA

April 2018 to September 2019

As clinic nurse I assist cardiologist with any testing he does in the clinic. Manage Coumadin clinic and Pacemaker clinic.

Telephone triage is a huge role working in the clinic and following up with those patients.

Registered Nurse Team Lead

Novant Health Cardiology - Galax, VA

May 2005 to April 2018

Perform team lead duties on daily basis to include: supervise clinical staff, complete monthly audits for the clinic, triage calls, manage Coumadin clinic, perform stress testing, evaluate/monitor EKG's and assist staff in rooming patients when help is needed.

Registered Nurse (RN)

Blue Ridge Home Health - Galax, VA

February 2009 to June 2013

I worked as needed in addition to my full time job. I loved providing care to my patients in their homes.

Education

Associates in Nursing

Wytheville Community College - Wytheville, VA

September 2005 to May 2007
