### **Fast Food Worker**

Taco John's - Shakopee, MN

January 2020 to August 2020

I stopped working at taco John's because I was assigned to leave for basic training in august. A reason I did not go back to that job was because I was not getting paid enough for the work I was doing. I was taking shifts, extra cleaning, staying after hours to help out and still only got paid for 200 a week. I want a job where I can do more than the description that I'll be able to get paid for.
