EXPERIENCE

American Mobile Healthcare — Travel Emergency RN

October 2018 - PRESENT

Working in various Emergency Rooms in MA, being adaptive to different situations and policies, while administering consistent, admirable nursing care.

Newton Wellesley Hospital: August 2021-Present; Continued excellent care of adults, while increasing in experience in pediatric patients.

Good Samaritan Hospital: May-August 2021; Worked immaculately under high stress, volume, and acuity with low resource conditions in this Level III Trauma Center.

Massachusetts General Hospital: February-May 2021; April-October 2020; Provided quality nursing care at a Level I Trauma hospital, taking care of 6 patients on average at once.

Cape Cod Hospital: October 2020-January 2021; Provided stellar nursing care in this 55 room ER that sees multiple traumas and ESI 1 patients per day. Nurse ratio was 1:4-7 patients at once per shift.

Marlborough Hospital: October 2019-April 2020; Provided excellent care while at this rural ER of 17 rooms. Adapted during the uncertain beginning of COVID-19 while maintaining calm and reassurance to patients.

Salem NSMC: October 2018-October 2019; Provided outstanding nursing care at this 55 bed urban Level III Trauma certified ER

CHI Memorial, Chattanooga, TN — Staff Emergency RN

January 2017 - October 2018

Worked in a 28 room ER that saw approximately 100-120 patients per day, and specialized in cardiac care focusing on door to balloon time. Became an expert on care of acutely ill patients and time management. Precepted students and new graduates, and stayed up to date with new education in the field.

St. Thomas Rutherford Hospital, Murfreesboro, TN — Cardiac Step Down Nursing Assistant

December 2015 - January 2017

Assisted patients with ADLs, and assessed them after cardiac cath.
