Highly-motivated and triple board-certified Registered Nurse that has experience working with a diverse group of patients ranging from pediatrics to geriatrics. Hands-on experience in clinical, surgical, emergency, and critical care settings provides a well-rounded skill set. Providing only the most compassionate, organized, and efficient care to my patients.

Authorized to work in the US for any employer

Work Experience

Registered Nurse Case Manager

Amedisys Hopice - Richmond, VA
June 2021 to Present

Case Manager for 12-18 patients at any given time. Assess, monitor, document and report progress of patient's health and condition using required documents, reports and established timelines. Complete an updated Plan of Care according to state regulation and communicates changes to attending physician, hospice staff, and others providing patient care.

RN Clinical Manager

Nova Cardiovascular Care - Stafford, VA
August 2020 to June 2021

Manages staff members in clerical, administrative and clinical areas, including staff recruitment, development and training. Develops and implements policies, procedures and work standards. Formulates, monitors and enforces budgets while conducting inventory and making purchasing decisions. Works with insurance companies and managed care contractors to help get medical procedures approved for patients. Assists with clinical assessments of patients, including in-office testing (stress test, nuclear medicine, echocardiogram, etc.)

Registered Nurse ICU/CCU

Sentara Northern Virginia Medical Center - Woodbridge, VA
October 2018 to November 2020

Managing various life-support systems including ventilation, heart monitoring and precisely delivered medications. Assisting providers with bedside procedures such as arterial line insertions, EGD, and intubation. Delivering consistent critical care to patients who have experienced strokes, heart attacks, trauma, and multiple organ failure. Providing compassion and support to families during end-of-life decisions. Responding to medical emergencies throughout the hospital.

Registered Nurse- Emergency Room

Spotsylvania Regional Medical Center - Fredericksburg, VA
November 2017 to September 2018

Triage, fast track, and primary nursing for a wide variety of acuity levels. Accurate and timely assessment, documentation, medication administration and interventions for each patient based on their chief

complaint and individualized treatment plan. Assisting providers with bedside procedures such as sedation and intubation, sedation for fracture reduction, splinting, incision and drainage, suturing, and cardioversion.

Registered Nurse- Ortho/Trauma Surgery

Mercy Medical Center - Des Moines, IA

May 2017 to September 2017

Maintaining sterile technique. Pre-anesthesia and surgical prep for patient including vitals, medical history assessment, pre-medication, foley catheter insertion, and other preparations. Scrubbing and circulating a variety of cases for ortho/neuro, vascular, cardio/thoracic, general surgery, plastic surgery, and ENT services.

Registered Nurse

Mercy Medical Center - Clive, IA

June 2016 to May 2017

Triaging patients including vital signs, medication list, and medical history. Ordering, collecting, and processing labs and diagnostic radiology. Processing pre-authorizations, refilling medications, and obtaining specialty referrals. Processing approvals for procedures and referrals to high level of care. Assisting with in-office procedures such as suturing, splinting, and incision/drainage. Leading team during trauma calls and codes.
