Work Experience

Staff RN Critical Care

Arrowhead Regional Medical Center - Colton, CA

December 2020 to Present

As part of the emergency department team developed and practiced a high level of professional autonomy in a fast-paced environment with high acuity patients. Refined time management while working with a broad range of emergency level patients. Duties included assessing, planning, evaluating and implementing patient care in accordance with accepted standards of practice and organizational policy while maintaining an evidenced based practice, administering medications and treatments, performing documentation, and providing education to patients and patient families all while adhering to the nursing process.
