Richmond, Virginia • jyoon1980@gmail.com • 206-265-9640

Hard working and passionate Registered Nurse with excellent time-management skills relocating to California in June 2022. Looking to expand and gain more educational experience in nursing excellence within a highly merited healthcare system. While seeking to grow and enhance my skills for the wellness of the facility, currently enrolled in a Bachelor's of Science program in nursing this Fall 2022.
