Excellent critical thinking skills and time management with high attention to detail. Diverse knowledge of a large array of nursing skills and equipment. Loyal and dependable team player. Quick learner with a positive attitude and eagerness to advance nursing knowledge and learn new things.

EXPERIENCE

Registered Nurse, Dallas Methodist Medical Center; Dallas, TX 2021 Present
Currently work on a 36 Bed multi-specialty ICU unit at this teaching hospital with Level 1 Trauma Designation. I work as part of a large multi disciplinary team to facilitate and provide care to a vast and dynamic patient population in a critical care setting.

Registered Nurse, Medical City Plano; Plano, Tx 2020 2021
Worked in a 30 bed Level 1 Trauma/Burn ICU unit. Provided life saving and life sustaining care to a variety of patient's suffering from traumatic injuries and burns in a fast paced critical care setting.

Division Float pool Registered Nurse, Medical City Healthcare; Dallas, TX 2020
Worked as a float pool nurse in the NICU. Had the opportunity to work in multiple Medical City facilities in the NICU. Was exposed to a variety of acuity levels and work environments. Majority of my work experience with float pool was spent in a Level III or IV NICU assisting with staffing and providing care to critically ill infants.

Registered Nurse, Atlas Medstaff; Various locations 2019
Worked multiple travel contracts in the NICU at a variety of facilities in the US. All facilities were a Level III or IV NICU. Had the opportunity to work at delivery hospitals as well as Children's hospitals with no in house deliveries.

**Registered Nurse, Hospitals of Providence Memorial Campus; El Paso, TX 2016
2019**

Worked in the NICU at this Level IV facility with a 40 bed capacity. Gained experience with vents, oscillators, jets, HFNC, bubble CPAP, and full body cooling. Attended multiple c-sections and high risk deliveries. Cared for critically ill and premature infants as young as 22wks.

Registered Nurse, Hospitals of Providence East Campus; El Paso, TX 2015 2016

Worked in a busy, fast paced PACU department. Recovered patient's following general anesthesia from multiple types of surgical procedures, as well as procedures involving moderate sedation. Worked with both pediatric and adult populations.

Registered Nurse, Las Palmas Medical Center; El Paso, TX 2014 2015

24 bed Mixed ICU unit. Level 3 Trauma. Gained experience with a variety of surgical, cardiac, and medical patients in a critical care setting. Renal transplant center.
