Work Experience

PA Clinical Experience

Shenandoah University - Winchester, VA

2019 to 2021

- Provided guideline-directed evidence-based care to patients with general and complex cardiology issues
- Assessed, diagnosed, and managed cardiac patients with ongoing comorbid conditions
- Obtained health histories, performed physical exams, and documented findings in the medical chart
- Educated and obtained informed consent for heart catheterization lab patients
- Analyzed diagnostic labs, imaging, and ECGs for acute and chronic care management
- Assisted in providing exposure and hemostasis for more than 60 intra-operative patients
- Provided inpatient and outpatient patient-centered care in rural and urban settings for diverse populations

Personal Trainer

LA Fitness - Chicago, IL

2017 to 2019

Nursing Clinical Experience

University of Illinois Hospital - Chicago, IL

2017 to 2019

- Communicated effectively and connected with Veteran patients in an emergency room setting
- Performed focused assessments and established therapeutic relationships with patients and families
- Assessed and managed pain, administered medication, and documented responses to interventions
- Provided patient education and discharge instructions in collaboration with the healthcare interdisciplinary team

Active Duty Mass Communications Specialist

United States Marine Corps

January 2011 to December 2015

- Led group physical training sessions
- Put in charge of training Marines who fell short of physical fitness standards.

Results included an increase in lean body mass and improved cardiovascular endurance and upper body strength. 100% passed the Marine Corps Physical Fitness

Test and fell within BMI standards within 6 weeks

- Interviewed and communicated effectively with more than 100 subjects of various backgrounds
- Provided leadership to a team of six. Supervised team in daily operations to include: assigning deadlines, evaluations, accountability, and keeping training up to date
- Awarded on three occasions and promoted on four, for going above and beyond, seeking self-improvement and motivating others
