## Work Experience

---

### **RN**

Mission Hospital Laguna Beach - Laguna Beach, CA

November 2018 to Present

I currently work in the ICU.

### **RN Staff Nurse**

Maimodenes Medical Center - Brooklyn, NY

July 2018 to October 2018

I was assigned in the adult Medical Surgical unit.

### **Supervisor RN**

Cypress Gardens Care Center - Riverside, CO

March 2018 to May 2018

As RN Supervisor for both 7-3pm and 3-11pm shift I oversee the LVNS, CNAs and ancillary staff in the delivery of healthcare systems. I attend to residents needs, focus on safety and high quality care standards. I coordinate with MDS and NPS and Pas to carry out orders including administering IV antibiotics, IV hydration, PO medications, and laboratory and diagnostic orders. I coordinate with admissions, social services, wound care, PT, OT, housekeeping dietary, maintenance for a seamless comprehensive care for each resident.

### **Registered Nurse**

BrightStar Care - Las Vegas, NV

November 2017 to December 2017

I was privileged to be given a 40 hour week home hospice TPN patient who unfortunately passed away. My patient also required wound care and wound vac.

### **Registered Nurse**

Mountain View Hospital - Las Vegas, NV

September 2013 to June 2017

I have worked in Medical ICU2 for the last 2 years. Thus exposed to and adept in intubated, vented, sedated patients. Cardiac and vital signs monitoring, titration of IV sedative and pressors. I am constantly trying to improve my skill and capacity as an ICU nurse, enrolling and training for CRRT and proning. I am well skilled in ACLS, code STEMI, temperature control management, post heart cath support to primary RN, post CABG patients as well as neuro stroke patients. I have also worked week ends case management

to ensure safe transfer or discharge of patients. Arranging for DME, home health, prescription medication education and follow up visits.

## Additional Information

---

Self employed, opened and managed a review center for Test of Spoken English in Cagayan de Oro City, Philippines from May 2000- Oct 2003.

This review center offered a comprehensive and extensive 3 day seminar to be to thoroughly prepare nursing graduates to excel in this test. Reviewers from my center had a 90% or greater passing score.

I am constantly improving my skill and knowledge. I am eager to learn and have been extensively blessed with mentors and pioneering managers.
