|Dear Whom, this may concern:

I believe that I would be a great fit for you company and for this specific job. I have 16 years of healthcare experience. I have experience in home health, long-term/acute care facilities, LTAC, and hospital settings. I was a CNA for 12 years before I graduated on December 16th, 2017, with an LPN certificate and I am also IV certified. I believe that I am an extremely hard worker, a team leader, and have been a valuable assist to my recent positions. With my experience I am prepared to become a contributor to your team.

Sincerely, Jessica Johnson|
