## Professional Experience

### Advocate Trinity Hospital/Registered Telemetry RN/Charge RN

October 2019-February 2022

- Expert in providing safe, compassionate patient care to a assignment of 5-6 acutely ill patients per shift while maintaining charge nurse duties
- Meticulously practicing a variety of clinical skills, including proper medication administration, detailed documentation, thorough assessments, and patient formulated education
- Utilizing critical thinking skills based on patient care prioritization and hospital-wide initiatives
- Creating a comfortable, trusting relationship with each patient-being recognized as a constant advocate, striving to fulfill as a beacon to those most vulnerable
- Collaborating with inter-professional, disciplinary team members in coordination to patient specific care plans and evaluation
- Ability to handle fast-paced, time management skills in a demanding work environment, while maintaining focus on the importance of delivering quality care
- Identifying emergencies/abnormalities and responding in a timely manner
- Mentoring and training new oncoming staff members
- Supervising nursing staff and correlating daily administrative duties, including schedules, nursing assignments, participation in safety and staffing huddles
- Serving as a resource to fellow nursing staff, aiding in teaching of skills, guidance in hospital protocols, and the need to handle patient/family concerns

### Northwestern Memorial Hospital/Registered Travel RN

February 2022-April 2022

- Experience in new nursing skills/hospital protocols/trauma center
  - Ability to adapt and maintain to a different work environment consisting of a teaching floor
  - Communication with residents/interns
-
