Over the past year I have had the opportunity to grow as a nurse within the perioperative department at Loma Linda Medical Center. I not only have learned how to prepare patients for their surgeries, but I also have been able to recover them post-operatively as well as hold patients and do complete bedside care. I think this has helped me learn how to care for patients throughout the whole surgical process and am excited to continue on this journey.

Willing to relocate to: Orange County, CA - Los Angeles, CA - San Bernardino, CA

Authorized to work in the US for any employer
