Work Experience

RN

Rapides Regional Medical Center - Alexandria, LA

August 2021 to Present

I am staffed as an RN in the post-anesthesia care unit. Job duties require the acute care of patients recovering from anesthesia. This includes monitoring respiratory and cardiac status, administering medications to stabilize patients and keep them comfortable after procedures, collaborating with other members of the care team, and transporting patients to the appropriate destination once they have been recovered.

EMERGENCY ROOM REGISTERED NURSE

RAPIDES REGIONAL MEDICAL CENTER

June 2019 to Present

Currently I am responsible for patient care in emergency situations. I was nominated for "Rookie of the Year" for the hospital in 2020, and I was awarded the "Emergency Department Excellence Award" in fall of 2020. While in the ER, I have been involved in the care of critically ill patients, both in the medical and psychiatric realms.

DIRECT SERVICE WORKER

GOOD SHEPHERD PERSONAL CARE
