Work Experience

Registered Nurse (RN)

Artesia General Hospital - Artesia, NM

Present

Responsible for the delivery of care to patient in the Medical Surgical/Pediatrics/Progressive Care Unit via the nursing process while effectively interacting with the patient, family and other healthcare team members. Utilized the nursing process by demonstrating appropriate assessment, planning, implementation and evaluation of patient care needs. Followed established procedures and standards and demonstrated sound nursing judgement regarding patient findings and concerns by taking appropriate nursing actions.

Registered Nurse (RN)

Lakeview Christian Hospice - Carlsbad, NM

April 2021 to August 2021

Under the direction of the Hospice Medical Director provided empathetic and compassionate end of life hospice care to terminally ill patients. Provided specialized nursing care to help manage patient's both physical and spiritual pain while focusing in controlling pain, physical discomfort and symptoms of illnesses. Assisted to lessen the stress of end of life care by providing comfort and support to patient's family and loved ones via patient and family education on pain management, dying process and signs and symptoms of approaching death.

Registered Nurse (RN)

CARLSBAD MEDICAL CENTER - Carlsbad, NM

April 2020 to May 2021

Responsible for the delivery of care to patients utilizing the nursing process of assessment, planning, intervention, implementation, and evaluation while maintaining care standards in the ICU Department. Utilized the nursing process to provide dynamic patient care management and assist in the care of traumas, cardiac arrests, strokes, and other triage situations. Demonstration of sound decision-making in emergency scenarios based on patient conditions such as vital signs, patient presentation, and assessments while monitoring patient recovery and care.

Registered Nurse (RN)

University Medical Center & El Paso Children's Hospital - El Paso, TX

October 2018 to February 2020

Responsible for providing high quality patient care through established clinical nursing standards and protocols as the only Joint Commissioned Comprehensive Stroke Monitoring Unit in Texas. Under Clinical supervision, responsible for utilizing and delivering appropriate patient care using the nursing process in order to ensure effective and desired patient outcomes. Utilized knowledge and resources to assist patients and families in understanding a Stroke related events, risk factors, treatments, Post-Stroke Rehabilitation and stages of recovery.

Registered Nurse (RN)

The City of El Paso Department of Public Health - El Paso, TX

March 2018 to September 2018

Under general supervision, provided nursing care under the medical standing delegation orders within the County of El Paso. Provided community health nursing services in the Tuberculosis Management Clinic and Immunization Clinic. Conducted comprehensive assessments of adults, children and adolescents to determine health status, disease process needs. Dispensed prescription drugs as authorized. Assisted in mass vaccination clinics, screening and outreach programs. Performed supervisory, administrative, and day to day operational duties as required.

Registered Nurse (RN)

Texas Department of State Health Services - Lubbock, TX

October 2016 to July 2017

Under the direction of the Regional Medical Director, performed nursing responsibilities related to public health nursing services regarding communicable diseases including HIV/STD and Tuberculosis Management. Primarily focusing in comprehensive case management of clinically active Mycobacterium TB clients including screening, testing, assessing, planning and implementing Latent and Active TB treatment management. Performed field/home visits and functioned as a liaison for local health care providers. Additional responsibilities included supporting Immunizations, Public Health Emergency Preparedness and Community Health Services within the region.

Surveying Technician

Madron Surveying Inc. - Carlsbad, NM

December 2014 to June 2015

Served as in-house office survey technician responsible for evaluating, re-writing and reviewing survey plats for oil field well site locations. Processed field data notes, compiled files for projects, researched, analyzed and revised documentation for legal descriptions. Managed invoicing and billing procedures plus other multiple tasks by using Microsoft Office and Quick Books applications.

Medical Assistant

Leshner Health Clinic - Carlsbad, NM

May 2014 to December 2014

Provided excellent patient care by performing technical tasks such as vital signs, performing venipuncture, EKG's and administering injections. Assisted the CNP during examinations and various procedures as needed. Provided administrative assistance and clerical duties such as data entry, scheduling patients, diagnostic exams, obtaining patient medical history, submitting physician referrals and completing insurance eligibility forms among other duties assigned.

Membership Coordinator/ Front Desk Receptionist

Westside YMCA of El Paso - El Paso, TX

April 2006 to September 2013

I supervised the Membership Department for the Westside Family YMCA. I recruited and trained front desk customer service staff. Educated current and prospective members on member fitness, aquatic and youth programs. Provided exceptional customer service, as well as problem resolutions in reference to member accounts and membership issues. Actively participated in community outreach programs to assist in fund raising events for the YMCA membership department.
