Work Experience

Registered Nurse

Bedrose Pediatrics - Hoffman Estates, IL

November 2021 to Present

ADMISSIONS NURSE & WEEKEND CHARGE NURSE, GREYSTONE HEALTH

August 2018 to Present

Ensure new admissions are met with exceptional care and throughout assessments. Assist patient and family with a smooth transition from hospital to post-acute care and long-term care. Provide care and support to residents, CNA's, and administration. Work as weekend charge nurse overseeing the building including reports, facility tours, and staff needs. I am equipped to provide guidance and help my fellow nurses provide exceptional care. I have gained knowledge in administrative duties and the importance of following facility policy and procedures as well as providing staff with education and in-servicing. My current position allows me to learn valuable skills from the DON and ADON which has helped me further my education. Being part of the manager team has broadened my knowledge and skill set.
