## Work Experience

---

### Missouri Licensed Registered Nurse

Freeman Health System - Joplin, MO

January 2005 to Present

1. Joplin, Mo 01/2005-Present
2. Midwest Orthopedics pre and post op 10/19-present

Have worked at Freeman as a floor nurse on the medical floor, house registry, and the emergency department for the last 14 years. I have worked the last 10 years exclusively in the ER performing as a triage and initial assessments of adult and pediatric patients presenting for medical/cardiac/psychiatric symptoms. I am well experienced in all the skills needed of an experience ER nurse. I have also served as a preceptor for new employees and newly graduated RNs. In my time as a medical floor nurse and house registry I routinely worked the various floors and departments of the hospital managing as many as seven patients at a time.
