Experience working in a 28 bed, level II pediatric trauma emergency room caring for critical, trauma, and mental health patients. Skills range from starting IV's, placing urinary catheters, specimen collections, NG/OG placements, mental health monitoring, to running codes and assisting physicians in conscious sedations. Currently studying for the Certified Pediatric Emergency Nurse exam in March.

Authorized to work in the US for any employer

Work Experience

Registered Nurse

Our Lady of the Lake Children's - Baton Rouge, LA

December 2019 to Present

I care for pediatric patients, newborn to 18 years old while occasionally caring for the adult population. Skills range from starting IV's, placing urinary catheters, specimen collections, NG/OG placements, to running codes assisting physicians in conscious sedations: ortho reductions, spinal taps, and laceration repairs. I provide care not only for the patients but for the patients' families by providing emotional support and comfort (warm blankets, nutrition, beverages, etc). I work forty plus hours a week in effort to support high patient volume while being short staffed, working both day and night shift.

Nurse Technician

Our Lady of the Lake Children's Hospital

December 2019 to May 2020

As a emergency room technician I obtained vital signs, collected specimens, assisted the RN and providers in traumas/criticals/codes, provided nutrition and comfort to families as well as patients, and trained other technicians.

Education

Bachelor's degree in Nursing

Southeastern Louisiana University - Hammond, LA

September 2017 to May 2020

Certifications and Licenses

BLS, ACLS
