Work Experience

Nurse

Unity Point St. Luke's Cedar Rapids

February 2016 to Present

Licensed nurse. Provide care to acute and critically ill Oncology patients as well as provide palliative care to patients in the end-of-life stage of dying. In addition to Oncology patients, I work with stroke patients as well as many "overflow" patients. Work along side other healthcare professionals to provide the best possible care.

Licensed traveling nurse

Medical Solutions

November 2015 to February 2016

Provide care to both pediatric and adult patients in a specialized clinical setting. Visiting 40 different communities to serve the needs of the population.

- Work alongside other health care professionals to provide the best possible care to patients.
- Competent and comfortable working with Powerchart/Cerner and Epic electronic documentation.

Nurse

Mercy Medical Center Sioux City

July 2014 to November 2015

- Licensed nurse. Provide care to acute and critically ill Oncology patients as well as provide palliative care to patients in the end-of-life stage of dying. Worked along side other healthcare professionals to provide the best possible care.
- Licensed nurse. Providing care to patients' pre-operative and post-operative. Work along side surgeons, anesthesiologist and other healthcare professionals.
