---

Caring, hardworking and service-oriented Registered Nurse with more than 5 years of telemetry and 11 months of ICU nursing experience. Well-versed in offering evidence-based, therapeutic care for patients dealing with heart failure and end-stage renal disorders. Looking to further my nursing experience and knowledge.

## EXPERIENCE

### March 2021- Current

#### **REGISTERED NURSE – INTENSIVE CARE UNIT, FRANCISCAN HEALTH- OLYMPIA FIELDS, IL**

Administered intravenous drip medications, managed intubated, sedated, and paralyzed patients, managed CRRT, target temperature management, coordinated well with residents and fellows to provide the best care for our patients.

### December 2015-March 2021

#### **REGISTERED NURSE- TELEMETRY, Franciscan Health – Olympia fields, IL**

Administered medications, completed skilled assessment, and charting as a Telemetry Nurse. Delivered quality care and comfort to patients with heart failure, pulmonary hypertension, pulmonary embolisms, and end-stage renal disease. Ability to interpret EKG monitoring strips.
