## Work Experience

---

### **Registered Nurse**

University Medical Center - New Orleans, LA

January 2021 to Present

Currently working as a Registered Nurse at a 4:1 ratio, usually without a PCT. Daily head to toe assessments, medication administration, and hourly rounding completed in a timely manner. Frequently administer IV antibiotics, fluid boluses and continuous fluids, PRBC infusions, heparin gtt's, and PCA pump management. Fluent interpersonal communication developed, especially using chain of command as this is a teaching hospital. Observation unit requiring multiple admits and discharges on a daily basis. Thorough EPIC documentation including care plans, education, and SBAR handoff per joint commission requirements. Daily Hester Davis fall assessments and documentation. New medication teaching in the form of verbal and printed education as well as discharge planning and teaching. Occasionally respond to rapid responses and codes. Palliative care experience including comfort care and post mortem care.

### **Bartender**

Michaels Restaurant - Slidell, LA

April 2010 to October 2018

Started as a hostess, quickly moved to a busser and then a server and eventually became the bartender. We worked several catering events, weddings, and promotions. I worked for Michael over an 8 year period until he eventually closed his doors in October of 2018.
