## Work Experience

---

### **Emergency Registered Nurse**

Palmetto General Hospital - Hialeah, FL

November 2017 to Present

As a registered nurse my responsibilities include but are not limited to the care of patients in their most vulnerable moments. Provide them with explanations of the disease process or how to continue taking care of themselves after they leave the hospital. Be able to implement physicians orders as well as administer medications, start IV's, perform treatments and collaborate with nursing teams to create a care plan for all patients

### **Registered Nurse**

Glades West Rehab & Nursing Center - Miramar, FL

September 2017 to May 2018

As part of a team of nurses providing care for patients that come to the facility for short term care also some for long term care. Order, interpret and evaluate patient needs, direct and guide ancillary personnel and maintain standard of personal caring.
