Work Experience

Pharmacy Technician

Walgreens - Round Lake Beach, IL

November 2017 to February 2019

As a technician, I supported the Pharmacists in the daily operation of the pharmacy. Was responsible for receiving and verifying the accuracy and authenticity of prescriptions. Reviewed and recorded patient information with their prescriptions in compliance with the guidelines of the General Pharmaceutical Council. Protected employees and patients by adhering to infection-control protocols and policies. Provided instructions to educate people on the correct way to take their medicine. And lastly, disbursed completed and confirmed prescriptions to patients. I was successful at my job, by remembering clients' names and their prescriptions which allowed me to gain rapport with patients which showed individuals that I was an attentive caring person.

CNA - Certified Nursing Assistant

Right At Home - Grayslake, IL

2017 to 2018

CNA - Certified Nursing Assistant

Brookdale Senior Living - Vernon Hills, IL

2016 to 2017

CNA - Certified Nursing Assistant

Hillcrest Nursing and Rehab - Round Lake Beach, IL

2015 to 2016

My responsibilities as a Nursing Assistant involved grooming and bathing patients with low mobility. Prepared each patient room with necessary items like blankets, pillows, medical equipment, and bathroom needs. Helped patients eat and take medicine. Monitored vitals and patient behavior and reported them to the nursing and medical staff. Assisting patients with mobility needs, transferring them from wheelchair to bed. And turned and adjusted patients in bed to prevent bedsores or other discomforts. Finally, my demeanor as an aid is what made me special. By having patients, being encouraging and calm, I was usually the person that many coworkers and nurses called upon to help during difficult situations.
