Registered Nurse

Houston Methodist - Baytown, TX

June 2020 to August 2020

- Establishes a relationship with patients, families and the interprofessional health care team to collaborate on the plan of care by using progressive skills in therapeutic communication, which includes active listening and teaching.
- Contributes to teamwork by responding positively to requests for assistance. Collaborates to foster healthy relationships in the work environment. Seeks guidance from interprofessional health care team, when needed, and applies feedback to improve patient outcomes.

- Follows the patient and family-centered care standards, as outlined in the Houston Methodist Professional Nursing Practice document. Conducts nursing assessments, assists with exams and treatment and documentation/maintenance of medical records. Practices in a manner that is congruent with cultural diversity and inclusion principles.
- Develops, updates and communicates plan of care, including discharge, in partnership with the patient, family and interprofessional health care team, using the nursing process. Prioritizes care based on the patient's needs, abilities and preferences. Advocates on patient/family's behalf to identify and resolve clinical and ethical concerns, utilizing appropriate resources.
- Provides patient education based on learning needs, uses appropriate resources, incorporating planning for care after discharge. Consistently evaluates the patient's comprehension and adapts teaching methods accordingly.
- Follows the standards of care related to the nursing process, standards related to regulatory requirements, and professional practice as outlined in the Houston Methodist Professional Nursing Practice document.
- Provides and modifies care for increasingly complex patients and coordinates care with the interprofessional teams. Plans for routine events and progressively manages emergent situations in collaboration with the healthcare team.

Registered Nurse

Advent Heath Orlando Hospital - Orlando, FL
November 2018 to December 2019

Orlando, FL
