## Work Experience

---

### **Perioperative/OR Circulator/PACU**

Bluebonnet Plastic Surgery - Baton Rouge, LA

April 2022 to Present

As a registered nurse in a plastic surgery center I interview patients prior to surgery, assist during surgical procedures, maintain a sterile and safe operating room, and follow patient to PACU to manage pain and discharge.

### **Operating Room Nurse/PACU**

Zachary Surgery Center - Zachary, LA

March 2022 to Present

As an operating room circulator and PACU nurse, I assist surgeons during pain procedures, GI procedures, and orthopedic surgeries. I maintain sterility and ensure the safety of everyone in the operating room. I remain with patients in PACU after surgery providing care and pain management until discharge.

### **Travel Registered Nurse**

Our Lady of the Lake Regional Medical Center - Baton Rouge, LA

April 2022 to April 2022

During this short term assignment I managed care for 5-6 acutely or critically ill patients requiring blood transfusions, airway management, dialysis, electrolyte imbalances/replacements, preoperative as well as post operative care and many more assignments requiring high attention to detail and critical thinking skills.

### **Travel-Registered Nurse**

Aquent - Baton Rouge, LA

November 2021 to March 2022

My role as a covid response registered nurse provided me with a generous amount of experience on the preventive side of this pandemic. I had the opportunity to educate the community through Walgreens about the covid-19 virus as well as administer the vaccine after consultation.

Assignment duration: November 2021-March 2022.

### **Registered Nurse**

Select Specialty Hospital - Jackson, MS

May 2021 to October 2021

As a registered nurse in a critical care inpatient/LTAC setting, I care for patients requiring mechanical ventilation( ET, trach), COVID+ and COVID recovery, manage critical drips per protocol, administer IV

medications, dialysis care on the unit, GI procedures at bedside including gastrostomy tube insertions and revisions, NG tube placement, as well as usual floor nurse responsibilities.

### **Travel Nurse**

Favorite Healthcare Staffing - Littleton, CO  
March 2018 to October 2021

As a traveling nurse I have acquired confidence and critical thinking skills as well as adopted a beautiful skill of adapting to every setting and being very flexible. I have cared for patients in long term care, acute care, memory care, critical care, and medical surgical settings. I served at many facilities during my time with Favorite Healthcare in the Denver Colorado area.

### **Charge Nurse**

AHC - Jackson, TN  
August 2018 to June 2021

As a charge nurse in a long term acute care facility I am involved in direct patient care that involves usual floor nurse duties as well as making nursing assistant assignments on my shift. I manage patients requiring tracheostomies, gastrostomy tubes including assisting in bedside GI procedures (tube insertion, revision, scopes, etc), IV medications, and dialysis after care.

### **Pediatric Nurse**

Lentz Pediatrics - Lexington, TN  
November 2018 to May 2020

Over the time I worked in the pediatric clinic, I truly found my passion. I performed clinic nurse responsibilities including complete health history documentation, vital signs, immunizations, nasopharyngeal specimen collection, finger stick labs, urinalysis, referrals, stitch removal, ear washing, assistance in circumcision procedures in office, and any acute care such as respiratory distress.

### **Private Duty Nurse**

Volunteer Homecare - Parsons, TN  
August 2018 to November 2018

I worked as a private duty nurse for a short amount of time helping a family I knew with a little boy who was completely dependent. I loved this experience and I only left due to the fact they found a permanent nurse who could work all of the hours they needed. During my time caring for this child I managed peg tube feedings and medications, specialized braces for wrists and feet, maintained seizure precautions, and performed ordered physical therapy routines in the home.

### **Operating Room Nurse/PACU**

West Tennessee Healthcare - Jackson, TN  
November 2017 to March 2018

My experience as an OR nurse provided me with great experience. I assisted neurosurgeons in spinal surgeries, brain surgeries, insertion and removal of shunts, craniotomies, burr holes, suturing, as well as clinic visit preoperative and postoperative monitoring in unit.

### **Waitress**

Dixie Castle - Jackson, TN  
June 2016 to August 2017

## **Medical Assistant**

Frix-Jennings Clinic - Henderson, TN  
February 2017 to June 2017

During my time at Frix Jennings Clinic, I began my medical career taking vitals, collecting specimen for in house lab, performed injections as ordered and assisted in wound care and small procedures performed in house.

## Education

---

### **Bachelor's degree in Nursing**

Capella University - Tennessee  
June 2022 to Present

Gateway Christian School - Jackson, TN  
2014 to 2016
