- Attended all physician appointments for this child and school conferences

Committees and Extracurricular Experience

Service Excellence Team-(Employer of Choice) This team is responsible for helping to make the organization an employer of choice-a place where employees feel they are doing worthwhile work, making a difference and have purpose in their jobs.

Lean 6 Sigma-This committee addressed the concern of the amount of time from a patient entering our Emergency Room until the time of admittance. We sought to improve the existing processes. This committee brought about the trial of a hospitalist program and the assessment of the value of the process after trial. In October 2012, my current workplace incorporated the hospitalist program.

Quality Indicators-Core Measures-Assessed our facilities core measure scores based on National Standards of care. We determined the areas of need for improvement to achieve the best outcomes for patients.

Relay for Life Steering Committee MDCMC-Assist in organizing fund raisers and teams for the relays held every June. Since 2009, I have been both a Team Captain and/or team member.

Volunteer Center of Door County- History of Volunteering included at the Boys and Girls Club of Door County, Door County Humane Society, and at the YMCA.
