Work Experience

Registered Nurse ICU

St. Luke's Hospital - Sugar Land, TX

September 2021 to Present

Provided patient care in a busy 16-bed unit ICU serving trauma patients and inpatient surgeries. Assessed and monitored patient vital signs and notified physicians in emergency situations. Administered IV, oral and injections of medications as directed. Educated family members on patient conditions and course of treatment. Documented procedures, changes in condition and medication administration. Order, interpret and evaluate diagnostic tests for follow-up treatment.

Clinical Research Nurse

Lumi Research - Houston, TX

November 2019 to Present

Duties: Drug research clinical trial assistant with bilingual patients (English/Spanish). Established of relationships with patients during the interview process. Communicated to patients the expected drug effects, mechanisms of action, expected dates for visits and expectations of participating on trial. Provided patient education based on expected outcomes, scope of clinical trial, resources available and study demands. Drew blood for laboratory studies and performed vital signs assessments as needed. Performed routine electrocardiography. Scheduled and managed appointments for laboratory needs, patient visits and management needs proficiently.

Account Manager II

Hilti Inc - New Orleans, LA

January 2017 to November 2018

Duties: Development of sales markets in the Houston region with later relocation into New Orleans with a primary focus on bilingual clients (English/Spanish). Establishment of relationships with clients and internal customers. Scheduling of meetings with C-level executives and established a strong business relation with our top 20 accounts. Managed territory operations on a strict time schedule to fulfill client, internal and external demands. Lead training sessions to educate and certify customers and internal staff on new products, policies and procedures. Fostered teamwork by organizing monthly meetups. Stayed current on market demands and company policy through continuous education.
