Experienced nurse with a demonstrated history of working in the healthcare setting and industry for 10 years. Skilled in Advanced Cardiac Life Support (ACLS), Critical Care Nursing, Healthcare Management, Healthcare, and Health Education. Strong healthcare services professional with a BSN from Barnes Jewish- Goldfarb School of Nursing.

I am a dedicated, patient-focused registered nurse with 11+ years of experience and expertise caring for patients and their families. Through years of experience and travel nursing, I have honed my ability to quickly adapt and impact a team. I understand what it means to be a dedicated team player who not only has outstanding clinical knowledge, but also who possesses extensive experience of working alongside a multi-disciplinary team of healthcare providers, Registered Nurses and Physicians. I pride myself in being a leader and delivering high quality nursing care to patients in accordance with up to date, evidence-based professional practice. On a more personal level, I have a strong desire to learn and continue my education while also being a leader and resource for colleagues and staff.

Authorized to work in the US for any employer
