Hi my name is Amber Senske. I have been a CNA since 2012, so I have lots of experience. I have my current CNA license with the Minnesota registry of nursing. My last job I was getting residents dressed and undressed, did their hair, toileting, and more adl's. For extra shifts I also did housekeeping and I was a bath aid. I also did medication administration and wound care so I am able to fully care for the ones in need. I have excellent interpersonal communication skills. I am told I am a happy and fun person to work with. I have a caring heart and a passion for helping others which is why I am a cna. I have worked in nursing homes, dementia units, assisted living, and lately I have been enjoying TCU.

Thank you for your time.

Amber Senske

Authorized to work in the US for any employer
