I am a Registered Nurse deeply committed to providing quality, compassionate patient care. I am a reliable healthcare provider with the ability to remain calm and intervene during a crisis, facilitate groups and collaborate on multidisciplinary teams. I have proven the ability to build positive relationships with patients, family members, physicians, nurses and other medical professionals. I am a United States Veteran. My medical career started as a Medical Specialist providing care to soldiers and while deployed to Iraq and Afghanistan I provided medical care to locals. My mission is to continue to provide quality, compassionate patient care to all those that are in need.

Authorized to work in the US for any employer
