Work Experience

CNA - Certified Nursing Assistant

Boutwells Landing Presbyterian Homes - Oak Park Heights, MN

October 2009 to Present

A Certified Nursing Assistant, or Certified Nursing Aide, is responsible for supporting medical staff in administering care to patients with various injuries, illnesses or disabilities. Their duties include helping patients bathe and maintain proper hygiene, feeding patients or ensuring they take their medication and assessing their patients' vital signs to notify staff of any changes.

Education

CNA Certification in CNA

St. Paul Tech School - Saint Paul, MN

February 2007 to August 2009
