Work Experience

CNA - Certified Nursing Assistant

Presbyterian Healthcare Services - Bloomington, MN

September 2020 to Present

I had a group of 6 to 7 patients.

Transferring patients using gait belt.

Providing great care, and comfort for each patient.

Providing basic patient care.

Charting/Documenting on patient's change of/or behavior.

ADL's

CNA - Certified Nursing Assistant

Interlude Restorative Suites - Plymouth, MN

August 2015 to July 2020

We all worked together answering call lights, this was more of a TCU setting.

I helped patients with ADL's as well, as checking vital signs, charting/documenting changes in behavior.

Education

some college in Nursing

Minneapolis Community and Technical College - Minneapolis, MN

August 2011 to December 2013
