OVERVIEW

Patient-focused nurse with 2 years of direct patient care experience. With a passion and drive for learning and growing professionally within a dynamic healthcare environment. Seeking a Registered Nurse position where I can utilize my nursing education and experience to provide the highest level of care for patients.

WORK EXPERIENCE

CHRISTUS SANTA ROSA SAN MARCOS- March 1, 2020- Current

PCU Staff Nurse-

- Primary care for patients that include telemetry monitoring and interpretation, medications, blood draws, basic wound care, administration of blood products, LDAs.
- Perform basic nursing responsibilities, including assessments, patient/family education, plan of care development, admissions, and discharges.
- Collaborate with physicians and nursing staff to ensure the plan of care aligns with patient needs.
- Care for heart cath patients post femoral sheath pulls as well as removal of transradial band.
- Monitor and maintain basic PCU drips such as amiodarone, diltiazem, and heparin.
- Direct care given to COVID 19 patients. Anywhere from patients on nasal cannula to Bipap.
- Float to MedSurg and ICU as needed.
