Work Experience

CNA - Certified Nursing Assistant

BrightStar Care - Maplewood, MN

January 2022 to Present

I had recently worked with Brightstar last year as well but I took personal leave because I had a baby and I had to move back up north to Duluth, MN for a little while. I've been a CNA for 10 years and I love it. We are trying to move to California for a new start and new beginnings and I also have family out there.

- Took vital signs regularly
- Worked in a nursing facility
- Assisted 30 elderly patients daily
- Provided for patients', clients' and residents' physical and emotional needs
- Cleaned rooms, bathrooms, floors and linens
- Assisted residents, patients and clients with daily routines: feeding, bathing, dressing, grooming, walking, exercising and ROM exercises
- Aided in lifting clients, patients and residents when necessary
- Coordinated activities for patients, residents and clients
- Recorded client, patient and resident care
- Assisted with wound care
- Performed post-mortem care, if needed

CNA - Certified Nursing Assistant

ECUMEN - Chisago City, MN

December 2015 to December 2016

ADL's, showering, vitals, transferring, toileting, repositioning, redirecting, feeding, documenting, customer service, help nurses with anything they need, talk with the patients, getting them as comfortable as possible as they are there. To keep my patients to be first and their needs and wants first. I am also having a way to keep a smile on someones face, how to cheer them up. I love being able to get to know my patients and understand their stories. Just the little things i do by helping them get dressed and help them with their daily adl's i always get that i change their lives. Im always on time for my job and a hard worker, and get things done when they need to be. Skills Used Listening very carefully carefully because some of them cant talk very well or some have a lot to talk about. Working well with my coworkers, and getting along with them. Team leadership, by that meaning, showing other coworkers how to do the job and help them learn what its all about. Having a caring heart and open mind. Im always interested in learning new things and learning how to do things differently. Im always caring for my patients the most I can, and understanding their needs.
