Work Experience

Operating Room Nurse Extern | Presbyterian/St. Luke's Medical Center, Denver, CO August 2021-Present

- Deliver high quality, patient-centered care by performing a variety of delegated basic patient care services related to common nursing functions in the operating room (OR)
- Assist the OR nursing staff in providing patient care under the supervision of the registered nurse in duties such as preparing OR equipment, instruments, and supplies as needed
- Maintain a clean, well-organized, and safe patient care environment while keeping the OR flow as efficient as possible

Medical Scribe | *Sutter Roseville Medical Center*, Roseville, CA September 2018-October 2019

- Documented patient visits in the emergency department (ED) in real time using the Epic electronic medical record system
- Completed all subjective and objective parts of the patient chart to assist with patient flow in the ED
- Documented critical care time, procedure notes, laboratory results, radiology reports, and findings for physicians

Medical Scribe | Apollo Physicians Medical Group, Sacramento, CA September 2018-October 2019

- Entered patient information into all aspects of the electronic medical chart in real time
- Assisted the physicians with patient flow by documenting charts, completing paperwork, and providing results of laboratory or diagnostic findings
- Recorded any history of present illness, physical examinations, and clinical procedures done in the clinic

Volunteer | Sahaita

August 2013-August 2018

- Helped serve underprivileged communities by organizing free medical camps within those communities and collecting lists of patients
- Organized fundraisers to help raise money for funding medical projects in third world countries
- Collected street clothes, medical supplies, water, and food for underserved and uninsured populations

Volunteer | Seva: Selfless Service

August 2013-August 2018

- Assisted underserved communities throughout Northern California by organizing fundraisers
- Conducted annual coat drives and collected blankets to provide to the homeless population in San Francisco, CA and Sacramento, CA
- Collected and prepared food to serve in homeless shelters multiple times throughout the year

Volunteer | Global Medical Brigades

June 2014

- Traveled to Honduras to set up health clinics offering free health services in remote communities
- Perform duties such as taking vital signs, basic health assessments, and blood glucose readings
- Assisted physicians with patient flow by helping with paperwork and triaging patients on the schedule

Volunteer | *Shifa Clinic*

January 2012-May 2013

- Assisted in serving the uninsured population in the Greater Sacramento Area as an undergraduate student
- Took vital signs and performed free health screenings for patients with conditions such as diabetes, hypertension, and mental health disorders.
- Scheduled appointments, filed paperwork, and communicated with the Punjabi patient population
