Work Experience

Director of Nursing

Peach Tree Place

2015 to Present

- • Reduced tags on annual state examination from six in 2014 to zero deficiencies in both 2015 and 2016
- • Increased profitability of facility from 200k in 2014 to over \$600k in 2016 by meticulous management of staffing while still maintaining appropriate levels of care. This resulted in us winning the Blue Ribbon Award for 2016 given to the top facilities in the company and was recognized at our annual conference
- • Implemented a series of systems that helped clean up organizational issues with the facility and contributed to a clean survey two years in a row

Director of Nursing

Cantex Continuing Education

October 2014 to November 2015

Interim Director of Nursing until they were able to find a permanent DON

Director of Nursing

Benbrook Nursing and Rehabilitation

January 2014 to October 2014

- • Went into a facility that received a Substandard of Care tag and cleared within 60 days, and maintained a clean record with the state with zero citations.
- • Worked with marketing to develop a patient scorecard used to help ensure that we were didn't take patients that we were not equipped to sufficiently care for, while ensuring an acceptable ROI for the facility.
- • Redesigned and updated core systems and implemented process improvements with the ADON's to ensure appropriate checks and balances and proper training for the entire staff.

Director of Nursing

Marine Creek Nursing and Rehabilitation

February 2011 to 2014

- • 50+ DADS complaint visits in the past two years with zero citations.
- • Process and Procedure improvements resulted in the reduction of tags from over 50 down to only two, neither of which was clinical in nature. No penalties or fines were levied.
- • Staff turnover has been reduced 40% due to tighter restrictions and accountability measures taken
