Dedicated and compassionate Registered Nurse (RN) with progressive career history in direct patient care, triage and care coordination in fast-paced environment. Proven ability to remain calm under pressure and skillfully handle difficult patients and high-stress situations. Consistently developing strong relationships with patients and families through empathetic communication, respectful attitude and excellent customer service.

Work Experience

Virtual ICU RN

Mercy Health - Chesterfield, MO

November 2020 to Present

Responsible for monitoring ICU patients in various hospitals located in Oklahoma, Arkansas, Missouri and Ghana. Throughout the shift communicates with the bedside nurse and physicians regarding patient status. Follows designed algorithms that predict patient deterioration/outcomes. Use video/audio to monitor telemetry and all other invasive and non-invasive hemodynamics. Expert in use of EPIC, Cerner, Word and Excel.

Registered Nurse

St. Mary's Health Care - St. Louis, MO

November 2007 to November 2020

- Maintained all confidential personnel files, license and CPR compliance records for all nurses
- Monitored patient condition, including interpreting and tracking EKG readings, identifying irregular telemetry readings and updating team members on changes in stability or acuity.
- Trained new nurses in proper techniques, care standards, operational procedures and safety protocols to optimize performance and safety.
- Leveraged feedback and process improvement opportunities to create safer and healthier environment and increase patient satisfaction.
- Audited charts and reviewed clinical documents to verify accuracy.
- Decreased and prevented lapses in licensure by closely tracking nursing qualifications and credentials and sending out reminders to nursing staff.
- Managed care from admission to discharge, including patient assessments, care planning, health educations and discharging support to provide comprehensive care to over 10-15 patients daily.
- Audit procedures for compliance according to Joint Commission guidelines.
