I am currently seeking a position as a registered nurse position that was recently posted on indeed. Furthermore, I want to secure a RN position where I can utilize my education and skills to provide exceptional care to patients

Authorized to work in the US for any employer

Work Experience

Registered Nurse

Affiliated Physicians - New York, NY

January 2021 to Present

I Work as a head clinician in a collaborative manner, maintained therapeutic and respectful communication with clients and the health care team all the time.

Administration of COVID-19 vaccines, COVID-19 nasopharyngeal swab testing, and flu vaccines. Monitoring side effects 15-30 minutes after vaccine injection. Educating the public about the importance and safety of the vaccine.

Recently, I was elevated to the position of Quality Control Clinician. It is my obligation to ensure that all of my nurses adhere to protocol. Early detection of issues allows mitigation to be avoided.

National COVID- Ready Certified Nursing Assistant (CNA)

Queen of Peace Residence - Queens Village, NY

May 2020 to September 2020

Provide physical and emotional support for residents along with assisting them in their activities of daily living such as feeding, bathing, dressing, serving meals, transfer, and ambulation in a safe and comfortable environment. Answered calls for help and observed changes in a patient's condition or behavior to report immediately the nurse. Worked closely with the nurse and the licensed practical nurse in the care plan of the resident continuously. Ensuring safety at all times

Secretary/Bookkeeper/Receptionist

Medical Health Services of New York - Forest Hills, NY

May 2019 to January 2020

Performed administrative duties, including answering telephones, scheduling appointments, initiating insurance pre-authorizations for surgical procedures, hospital admissions, and ordering medical supplies

Cook/Prep

Chimichurry Los Amigos - Corona, NY

February 1994 to June 2018

Family owned business that focuses on providing warm healthy meals to nighttime to cab drivers and first responders among others

Education

B.S in Nursing

CUNY school of Professional Studies - New York, NY
January 2021 to March 2022
