Work Experience

Nursing Supervisor, RN

Tennessee Department of Health - Fairview, TN
September 2016 to Present

- RN Supervisor of satellite clinic in Fairview, TN. This is the sister site of the larger Franklin, TN clinic, both in Williamson County.
- Manages the medical side of clinic functions. This involves managing two clinic RNs, direct patient care, supply order and management, lab management, off site vaccine clinics and outreach.
- Also part of the larger management team that encompasses both Williamson County Health Department clinics.
- In March of 2020 Williamson County saw the first Covid19 infection in Tennessee. We quickly shifted gears and managed very extensive testing and contact tracing operations and worked closely with Williamson County Schools to assist with quarantines and isolations. As vaccines became available I was responsible for vaccine management and management of contract nurses and National Guard at the mass vaccination site at the Williamson County Ag Center, that administered over 90,000 doses of Covid19 vaccine to the population.

Step-Down Progressive Care nurse

Tri-Star HCA
April 2005 to August 2016

Worked mainly in cardiac step-down between two HCA Tri-Star, managing many chronic and acute conditions. Extensive experience with telemetry. Most recently managing small public health department clinic serving and under served population.
