## Work Experience

---

### **Registered Nurse**

Our Lady of the Lake Regional Medical Center - Baton Rouge, LA

December 2021 to Present

This job opportunity was my first travel assignment as an RN. I work on a Med-Surg unit taking care of many GI patients. These patients suffer conditions such as hernia's, bowel obstructions, cancer, as well as caring for a variety of other med-surg patients. Tasks include NGT maintenance, monitoring labs, communicating frequently with the care team, medication administration, and many other tasks.

### **Registered Nurse**

University Medical Center New Orleans LCMC Health - New Orleans, LA

June 2020 to November 2021

I worked over one year as an RN on a Level 1 Trauma unit. I had the opportunity to care for ortho patients, neuro patients, as well as many trauma patients. These patients suffered injuries such as MVC's, gunshot wounds, stroke's, and numerous other health issues. Assignments included managing chest tubes, wound care, trach care, NGT maintenance, blood administration, CPR, and medication administration via all routes.
