## **Emergency Room, ICU, Telemetry, and Medical Surgical RN**

Comprehensive Health Services (ER) - Cape Canaveral, FL

February 2019 to July 2020

Critical thinking skills and being able to think on your feet is essential to what I do in this job. Being able to triage patients and use time management is imperative to timely use of company and patient time. Being able to adapt to situations as they present themselves to the Nursing team. Being confident in my skill set as I was the only nurse on shift during my shift at night. Being able to anticipate what the Doctor will order. Being knowledgeable in pharmacology is important as the wide variety of drugs that can be used in any setting. Looking to Expand my knowledge in all areas of nursing. Looking to Expand my knowledge in this area of nursing. I'm currently stateside ready to work. Also, I spent 18 months in Iraq.

## **Emergency Room Nurse**
