## Karter King ((Kiivâ))

---

### BIOGRAPHY

My name is Kiivâ, and I was born in Fort Collins. I have a compassionate attitude, and I love to get to know people. I love to be outside, and I love foraging for wild herbs and growing them here for medicine. I'm very much a team player and a people person! I get along with everyone, but know my boundaries, and I believe open communication is key.

I speak fluent English, Saami, semi-fluent French, and I am attempting to learn Spanish.

Authorized to work in the US for any employer.

### EXPERIENCE

#### **Solar Advocate**

##### **Sunrun -Westminster, CO**

**September 2020 to June 2021**

At sunrun, I thoroughly enjoyed what I did! Setting up retail booths inside Home Depot/Costco, and selling solar systems to people who are interested! The pay is hourly, and commission, and involves passion, communication skills, determination, and persuasiveness. Unfortunately the commute was too far.

#### **Barista**

##### **Starbucks Coffee - Fort Collins, CO**

**June 2019 to August 2020**

At Starbucks, I was in charge of our RP orders, which meant making sure our shipments fully came through and were processed. Not only that, but customer experience was of utmost importance, combining skill to make delicious drinks quickly while maintaining a conversation and fixing issues in the store and between customers and partners. Regular upkeep of the store was mandated including deep cleaning to just a light dusting. I loved helping customers and making connections with my coworkers and regulars.

#### **Courtesy Clerk**

##### **Sprouts Farmers Market - Fort Collins, CO**

**September 2018 to May 2019**

My job duties were to perform hourly sweeps, bathroom checks, distributing samples, restocking shelves, taking out trash, cart retrieval, customer support, paging and phone customer support, and bagging. I was especially recognized for my kindness with the customers that would come in, and I loved helping people.

### EDUCATION

#### **High school diploma GED equivalent**

**GED Program - Fort Collins, CO**
