Patient centered quality focused registered nurse seeking a position to utilize skills in the medical surgical setting to provide attentive care and support positive patient care outcomes at The University of Chicago Medical Center.

Work Experience

Registered Nurse

Maxim Healthcare Group/ University of Chicago Ingalls Hospital (Med Surg Unit) - Harvey, IL
July 2020 to Present

- Worked within interdisciplinary health care teams to develop, implement and make adjustments to patient care plans, individualizing strategies and methods to improve health and meet recovery goals.
- Effectively prioritize assignments, executing care based on each patient's relative condition and delegating tasks to available personnel to deliver safe and efficient care.
- Perform admissions, assessments; provided intravenous therapy; blood administrations, complex wound care; monitored various drainage devices.
- Educate patients and their families on disease processes, medical-surgical procedures and other aspects of therapeutic regimens, including medication and pain management technique.

Registered Nurse,01

Maxim Healthcare Group/ West Suburban Medical Center (Rehab Unit) - Oak Park, IL
February 2020 to July 2020

- Coordinated care with physicians and other clinical staff to prepare for treatment, carry out interventions and enhance continuum of care to deliver comprehensive services.
- Administered scheduled medication and therapies via various routes while overseeing pain management plans.
- Acted as a patient advocate and implemented total patient care through the team nursing process.
- Monitored and recorded intake and output of patients with renal failure, gastroenteric, and cardiac conditions.

Assistant Director of Nursing_03

Waterfront Terrace Nursing and Rehab - Chicago, IL
January 2019 to February 2020

- Report occupational exposures to blood, body fluids, infectious materials, and hazardous chemicals in accordance with the facility's policies and procedures governing accidents and incidents.
- Maintained a liaison with the residents, their families, support personnel, etc., to ensure that the residents' needs are continually met.
- Planned and assigned workloads to nursing staff, evaluated the performance of the nursing department and recommended improvements.
- Monitored Unit budget to ensure financial objectives were met.

Nursing Supervisor , Licensed Practical Nurse

Waterfront Terrace Nursing & Rehab - Chicago, IL

November 2017 to March 2019

- Served as team leader of instructing health care personnel in correct procedures and techniques for resident care.
- Coordinated care in collaboration with a wide array of healthcare professionals.
- Assisted in hiring, scheduling and training new hire staff .
- Conducted audits and quality assurance checks on patient charts and medical records.

Licensed Practical Nurse

Waterfront Terrace Nursing & Rehab - Chicago, IL

July 2010 to March 2019

- Provide nursing care to residents. Admit, transfer, and discharge residents as required.
- Coordinated with physicians and healthcare personnel to develop care plans for residents.
- Delegated suitable nursing components of care to healthcare personnel.
