Registered Nurse with over 14 years of experience. Excellent critical thinking skills and case management experience. Background in both acute care and home health care settings.

Work Experience

Case Manager and Admission

RN, COMMUNITY HOSPICE - Modesto, CA
January 2016 to Present

Managed and coordinated care among hospice patients, families, doctors, LVNs, health aides and other disciplines. Participated in weekly interdisciplinary meetings, recertification processes, and initial plans of care. Educated and provided support during end of life to families and patients. Reviewed medical records and worked closely with doctors to determine patients' eligibility in meeting criteria for hospice care. Experience with both adult and pediatric hospice patients and families.

RN

KAISER PERMANENTE HOME HEALTH - Brentwood, CA
January 2015 to December 2016

Provided a variety of home health services to Kaiser patients, including admitting and discharging patients, lab draws, IV and parenteral therapy, wound vacuums, and wound care.

RN

MAXIM HOME HEALTH AGENCY - Concord, CA
January 2011 to December 2015

Administered nursing care in home, group and corporate settings. Provided health and wellness screenings. Performed wound care, IV therapy, dressing changes, trachea and ventilator care, and parenteral and enteral nutrition. Formulated 485/plan of care and performed monthly recertification visits and OASIS.

RN

HOLY CROSS HOSPITAL - Fort Lauderdale, FL
January 2008 to December 2010

Worked on Medical, Surgical, Telemetry and Step-down units. Provided care to pre-op and post-op patients. Frequently floated to oncology, mother baby, and orthopedic floors.
