January 2022 to Present

Licensed Practical Nurse/Charge Nurse

Rehabilitation Center of Lisbon - Lisbon, IA

January 2021 to Present

Certified Nursing Assistant

REHABILITATION CENTER OF LISBON

December 2019 to Present

While I have worked as a nursing assistant at the Rehabilitation Center of Lisbon, I have assisted residents in completing ADL's under the supervision of a charge nurse. While working here and going through nursing school, I have had the opportunity to practice my communication techniques, as well as learn from charge nurses as they have completed their daily assessments and tasks.

Certified Nursing Assistant/trainer

CASTING TECH

October 2017 to January 2019

While I worked at PCI in orthopedics, I completed many tasks - from biohazard management, sterilization of tools, suture/staple removal, EHR documentation, faxing communication between health facilities, casting, and training new employees, among others. I was also given the opportunity to learn from the nurses in regard to therapeutic communication, time management, and knowledge on orthopedics and the human body.
