Work Experience

Registered Nurse (RN)

LewisGale Medical Center - Salem, VA
January 2022 to Present

Contract RN with RN Network, working a medical/surgical unit. Adult patient population with general medical and surgical needs.

- Provided nursing care for adults
- Admitted and discharged patients
- Utilized the nursing process to assess, plan, intervene, and evaluate patient care
- Consulted and coordinated with healthcare team members
- Monitored, recorded and communicated patient condition
- Provided daily medication administration and administration of all medications
- Treated life-threatening emergencies

Registered Nurse (RN)

Community Memorial Hospital - Hamilton, NY
2005 to 2021

This is a Critical Access Hospital. I worked several years in the extended care unit, then specialized in the Medical/Surgical unit. I worked as charge RN on the night shift for 12 years, also floating to other units (special care unit, ER) as needed, and trained new graduate RNs.

- Utilized the nursing process to assess, plan, intervene, and evaluate patient care
- Consulted and coordinated with healthcare team members
- Monitored, recorded and communicated patient condition
- Admitted and discharged patients
- Provided daily medication administration and administration of all medications
- Treated life-threatening emergencies
- Performed administrative duties
