 215 E. 81st St. Chicago, IL 60619

PROFILE

Hardworking medical professional with experience in a multitude of healthcare settings and roles, including emergency/trauma nursing, outpatient private practice, inpatient hospital, hospital IT, medical billing & coding, and medical higher education programs. I am an incredibly fast learner that is multilingual, culturally competent, and eager to join an organization that values teamwork, communication, and retaining employees long-term.
