Work Experience

CNA - Certified Nursing Assistant

Norterre - Estoria - Liberty, MO
August 2021 to Present

I am still employed as needed. I took/take care of patients, charted there every day daily activities, and helped the nurse chart whatever they needed me to, also, to help other CNA's I created a way to show what happened to each of the patients during the shifts.

Team Member/Cashier

Revolutions lanes - Saint Joseph, MO
September 2021 to November 2021

Some things I did was cooked, cashiered the snack bar, worked as a bartender and managed the front-end during league nights. I tried to help Brian (manager) with learning as much as I could to help things run smoothly.

CNA

Missouri V - Cameron, MO
September 2019 to August 2021

Was assigned to a hall with other employees. Essentially, I did the same thing took care of the patients on the hall that I was assigned. Charted everything that happened with each patient. documented food on takes and other daily activities.

server

Washington Street Food & Drink CO - Cameron, MO
October 2016 to July 2017

I was a server. Learned a lot about more about customer service.

Pizza Hut Team Member

Piz - Cameron, MO
June 2015 to April 2016

I learned everything they were willing to teach me, such as serving, cooking, and basically helped managed the front end. I was just too young to actually become a manager. (Still in high school).

Education

Certified nurses assistant, still in college in RN
