PROFESSIONAL SUMMARY

Energetic and upbeat Graduate Nurse (L&D RNR completed) looking to continue my career in an environment that invites safety, kindness, and continuous learning. I am eager to utilize the skills I have developed in school, in life, and bedside in a hospital.

WORK HISTORY

St. David's South Austin Medical Center - Registered Nurse (Nurse Residency program completed)

Women's Services - Labor and Delivery

Austin, TX • 10/2021 - 3/2022

- Assisted the physician during delivery, treatment, examination, and surgical procedures.
- Administered prescribed medications and monitored the patient's vital signs.
- Monitored fetal heart rate for abnormalities and communicated them to the physician on duty.
- Modified the patient's treatment plan as required by the patient's responses and condition.
- Provided pre-, intra-, and post-operative care to patients undergoing C-section.

Sherman Family - Private Nanny

Austin, TX • 06/2020 - 08/2021

- Facilitated relationships with children and parents by developing caring and structured home environments, promoting children's social, intellectual and emotional growth.
- Supported children's educational progress by reviewing completed homework, tutoring on math and science and assisting with school projects.
- Established lasting, professional connections with families and children by encouraging open communication and delivering positive feedback.

Patient Care Technician
Certification
Neonatal Resuscitation

**St. David's South Austin Medical Center - Patient Care
Technician/ MedSurg Unit Clerk**

Austin, TX • 10/2017 - 06/2019

- Answered patient assistance calls, assessed needs and offered qualified support.
- Offered immediate assistance in emergency and routine paging situations to evaluate needs and deliver care.
- Supported patient admissions, discharges and transfers to promote team productivity.
- Maximized patient satisfaction by helping individuals carry out personal tasks such as dressing and walking.
- Helped patients complete activities of daily living.
- Monitored, tracked and conveyed important patient information to healthcare staff to help optimize treatment planning and care delivery.

Viator - Photographer

Paris, France • 05/2013 - 04/2017

- Completed complex photo shoots at indoor and outdoor venues.
- Planned and prepared for all on-location and studio shoots.
- Determined and adjusted subject position, props and lighting equipment while selecting camera angles to optimize final product.

Kristi Shaw - Private Nanny

Austin, TX • 04/2012 - 04/2013

- Created a safe, loving environment to support development of fine motor, gross motor and cognitive skills in caring for a newborn through her first year of life.
