My entire high school career I was working at a nursing home and got my CNA. After owning horses and being around farm animals my whole life due to having my grandpa own a hog market growing up I have been searching to see my passions. I am looking for places I can experience more to build my horizons with geriatrics, children, farm animals and working in the hospital are all places that fill my heart!

Authorized to work in the US for any employer

Work Experience

Medication manager CNA - Certified Nursing Assistant

MeadowView Memory Care Village - Cedar Rapids, IA

September 2021 to Present

Volunteer Firefighter/First Responder

Canton-Benton-Shellsburg Volunteer Fire Department - Shellsburg, IA

April 2021 to Present

Currently volunteering to gain more experience and to help my local community.

Daycare Assistant Teacher

A Step Above Childcare and Learning Center - Palo, IA

Present

CNA - Certified Nursing Assistant

Vinton Lutheran Home - Vinton, IA

January 2021 to August 2021

This facility really has helped me grow out of my shell with moving from my old facility to here. I have always been a homebody but ever since graduating and living on my own I have learned I love to travel, and meet more people and see new things!

CNA - Certified Nursing Assistant

The Gardens of Cedar Rapids - Cedar Rapids, IA

June 2018 to February 2021

I worked at The Gardens Of Cedar Rapids 2018 until February of this year. I started when I was 15 as a dietary aide and worked my way up and got my CNA through Kirkwood while being employed there. During my time at the Gardens; I have worked in Long Term Care, Memory Care and Assisted Living. Ever since I started working at a nursing home I have never been so humbled to take care of my older generation. It warms my heart that I can be a person they can talk to while they are missing their families due to COVID-19. With experience I have realized that the most eye opening things I have encountered

while working in geriatrics was being able to lay bedside someone while they were passing. This was meaningful due to family not being able to join and I did not want them to pass away alone.

Assistant Bookkeeper

Lend-A-Hand Properties LLC - Cedar Rapids, IA
October 2017 to January 2021

Family owned and operated rental property business. I worked for my parents (owners) from the start of the business until now. I helped them with filing, office work, book keeping, receipt and money management, mowing/landscaping, interior decor styling with flip properties, cleaning and much more. I wore several hats during the time of me working for them! I wouldn't trade the experience for the world.
